WELCOME TO THE 25th ANNUAL TWO MAN LINKS CHAMPIONSHIP

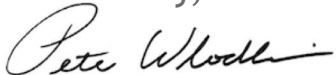

On behalf of everyone at AmateurGolf.com, and our presenting sponsor Callaway Golf and supporting sponsor Fujikura, I am pleased to welcome you to the 25th Anniversary of the Two Man Links Championship. You will be competing in the longest-running independently held tournament at Bandon Dunes.

IMPORTANT NOTE ON PACE OF PLAY

With a full field, it's very important we maintain a reasonable pace, and it is paramount to us being welcomed back year after year. Bandon is 100% sold out in 2026 and there will be resort guests behind us each day. We will be monitoring pace at checkpoints, at the turn and end of the round. If your group falls more than a hole behind and can't close the gap before making the turn, both teams in the pairing will be assessed a one stroke penalty. But here's the good news - if you catch up to the team in front of you before the end of the round (monitored at the 18th green) the penalty stroke will be removed. Playing ready golf, avoiding more than 3-minute searches and not waiting for a caddie to advise on every shot are all part of the solution. But ultimately it's up to each team. Remember, the maximum score is a net double bogey and you should not play out once your partner is in with a score lower than yours.

I know we can play in 4.5 hours and doing so will make the experience a better one for everybody in the field. Thanks for being a part of our flagship event!

Sincerely,

Pete Wlodkowski
